HAVE YOUR SAY EAST HERTS LOCAL CYCLING AND WALKING INFRASTRUCTURE PLAN (LCWIP)

Hertfordshire County Council is currently consulting on its Local Cycling and Walking Infrastructure Plan (LCWIP), which will shape future investment in walking and cycling routes across East Herts.

The proposals include new pedestrian crossings along London Road within the village boundary, aimed at improving safety and accessibility.

Please note: priority routes to Hertford and Hoddesdon are not included in this consultation, as they are being addressed separately within the LCWIP project. These key connections will be incorporated into the final plan.

 **The consultation closes on 5th November — this is our final opportunity to influence the current proposals.**

 Complete the survey here: <https://east-herts-lcwip-hertscc.hub.arcgis.com>

Your feedback is vital — let's make sure our community's voice is heard.

Parking problems

Your views matter - let's work together to improve parking in our village.

Parking has been a **long-standing issue** in the village. While the Parish Council does not have the power to enforce parking regulations, it is committed to investigating and tackling these problems.

One way we can help is by requesting **Traffic Regulation Orders (TROs)** from Hertfordshire County Council. These legal tools can introduce parking restrictions, trial schemes, or temporary changes to improve safety and traffic flow.

To do this effectively, **we need your input**. The more evidence we gather from residents, the stronger our case will be when approaching the Highways Authority — **your feedback really does make a difference**.

 **Please complete the survey by 30th November 2025:**

Help Us Reimagine the Green Space by the Allotments

We're looking to make improvements to the green space near the allotments — a tranquil and peaceful area of around 300 sqm that is currently underused.

The Parish Council has lots of ideas, but we want to hear your thoughts. Our goal is to make this space more appealing and accessible for residents to enjoy, and your input is essential to help shape its future.

 Please complete our short survey by 30th November 2025:

 <https://forms.office.com/e/9xQWREHski>

Let's bring this underused area to life — we look forward to hearing your fantastic ideas!

Haileybury Open Door Events – Free for Residents

Haileybury is offering free access to a range of Open Door events for Hertford Heath residents. It's a great chance to enjoy cultural and community activities at the college.

All Proceeds for the President of Amwell Rotary Club's Charities

Have Your Say on Recycling Centre Changes

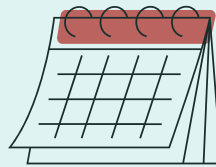

Hertfordshire County Council is consulting on proposed changes to Recycling Centres across the county. The consultation runs from 3 October to 28 November 2025 and asks residents to share their views on three key proposals:

- Restricting access for businesses and traders
- Charging for excess DIY waste
- No longer accepting unsorted residual waste

These changes aim to keep the service financially sustainable and protect staff from abuse.

📍 Take part in the consultation online:
