GOODBYE

Resignation of Parish Clerk

After nearly 8 years Sue has handed in her notice of resignation, with her last day of employment being the 1st of April 2026. The parish council wishes her well for the future, and thanks her for the time and effort she has put into various projects around the parish and ensuring that the parish council is up to speed and operating legally!

This has created a vacancy and we are now actively looking for a new clerk. Details of the position will be released shortly.

Please be assured that emails to the clerk's email address and telephone calls will continue to be answered as normal.

Haileybury School Collaboration Projects Updates

Knit & Chat Workshops

Haileybury students continue to attend the monthly Knit & Chat workshops held every Wednesday at 4:15pm at the college. These friendly sessions offer a welcoming space for residents and students to enjoy crafting together. The weekly knitting sessions at the library are also going well, with recent projects including knitted Easter chicks for charity.

Village Bench Project

The first decorated village bench, created by Haileybury students, is now installed in the woods next to the fairy library. This colourful "chatty bench" encourages conversation and includes a QR code linking to mental health support. Allotment Bench Designing a special bench for the allotments, which will feature unique vegetable-themed artwork. This creative piece will be installed once completed and will add character to the allotment site.

Haileybury Spring Open Events

Haileybury's spring open events are now available to book. Residents interested in attending can book directly online via our website by clicking on the 'Spring Events' picture on the homepage.

Wildflower Meadow Improvements

We now have a draft plan showing all the potential improvements for the Wildflower Meadow. The map brings together a range of ideas, though we appreciate that carrying out every element may not be practical — and it may even be too much for the space.

We'll be discussing the proposals at our next meeting, so if you have thoughts or suggestions, please do come along to share your views, or feel free to send them to us beforehand. After all, this is a community space, and your input is very welcome.
